The song marked a move away from R&B towards the pop-rock-grazing sound. Start the party written and produced by Linda Perry. She sees it as her first dance song. While #4 in many other countries around the world reached #1 american pop singles chart. Start the party was Pink's first solo single following her celebrated appearances with Christina Aguilera, Lil Kim and Mia in Moline Rouge's remake of Lady Marmalade. It won a Grammy Award nomination for Best Female Pop Song. Missundaztood's album veered away from teen pop from Pink's debut album to a more mature sound. In the #8 the U.S. house of america peaked and sold 220,000 copies in its first week of release. In America alone, it has sold a total of more than five million copies. Pink used the single from Masondstoud's album to express her dissatisfaction with being marketed as a pop star like Britney Spears. Some critics saw the song as negative as a song for self-loathing. Don't let me get my top 10 pop receipts in both the US and UK and topped the mainstream pop radio charts in the US. It was one of three top 10 hits from Missundaztood. The accompanying music video was directed by Pink's frequent collaborator Dave Mears. It shows pink as a high school Engaged in clashes with other students and school officials about his lack of compliance with school norms. Don't let me get me a gold certificate for sale and was broke into the top 40 dance table. Stupid Girls was released as the first single from the album I'm Not Dead. Addressed the issue of social expectations for glamour in girls. The lyrics openly condemn sexism. The accompanying music video directed by Dave Mears included parodies from a number of female celebrities. Pink's Stupid Girls won a Grammy Award nomination for Best Female Pop Vocal Performance. Stupid girls were given credit for reviving Pink's business fortunes in the US after they had been in decline. It's only at #13 but it has laid the ground for the visit to come. I'm Not Dead's album was released #6, above the two albums immediately before him, and sold 126,000 copies in its first week. Eventually, the album received a platinum certificate and spent 88 weeks on the album chart. Who knew working with both Max Martin and Dr. Luke. The song's words talk about the death of a friend. Pink has said the song is about a number of friends she has lost over the years. It was a huge commercial success becoming Pink's first top 10 pop hit singles in four years. During the initial release of the single, it was ignored by pop radio. However, on the heels of the success of your single U+Hand, a promotional slot for Who Knew with the October Road TV show, and American Idle's performances, Who Knew Was Promoted To Mainstream Pop Radio Again, and it became a hit. Finally Pink's longest running shot on the Billboard Hot 100 spent 36 weeks on the charts. Who Knew is one of Pink's personal favorites of all her music. The accompanying music video was directed by the team known as Dragon. Pink received a Grammy award nomination for best female pop song for her performance in Sober. The song celebrates getting away from the need to drink to be popular and finds comfort in the self-control that comes with being sober. Kara Dioguardi helped co-write the song. It was the second single from Fan House's album. Sober reached its #15 on the Billboard Hot 100. However, it topped the adult pop radio charts and ranked the pope's top 10 in many countries. Pink began writing Sober after ingescinascng from husband Kerry Hart. Explaining the origins of the song, Pink said: I was at a party in my own house. I didn't want to be there. I didn't want anyone else there. And I had this line in my mind that said, How do I feel this good alertness? So what was released as the original single from Pink Phan House's fifth studio album. The song was produced by Swedish pop master Max Martin and co-written. In terms of song, So What is based on Pink's experiences separating from her husband, Carrie Hart. He played a prominent role in the music video. The song is a #1 pop in and many countries around the world. So whether Pink won a Grammy Award nomination for Best Female Pop Song as well as an MTV Video Music Award nomination for Best Female Video. Pink reunited with Carrie Hart on January 1, 2009, less than five months after the song was released. Fan House's album was released in October 2008 and premiered #2 on the U.S. album chart with sales of 180,000 copies in its first week. It has sold more than six million copies worldwide. Pink earned a Grammy Award nomination for Best Pop Solo Performance for F kin' Perfect. The track carries a message to fight time down by letting others define who you are. Pink's early inspiration in writing the song is her husband Carrie Hart. The record was produced and written by Max Martin of Sweden and by his partner Shelbeck. F kin' Perfect #2 the pop charts in the US while #1 hit on adult pop and mainstream pop radio. Along with Dave Mears, he directed the music video, which caused controversy by dealing very directly with cutting and suicide issues. The clip earned an MTV Video Music Award nomination for best video with a message. Raise your glass as the original single of Pink's first compilation album the biggest hits released... have you ever For songwriting and production, he once again collaborated with McMartin. The song is a song about accepting people who are unique as individuals and celebrating those who are not part of the popular crowd. Raising your glass has become the third #1 as a solo artist in the U.S. Pink performed Raise Your Glass Up live at the 2010 American Music Awards. It was covered by the Glee TV show, which made the song the top 40 peaks #36. Raise your glass across multiple scoring charts. It reached #1 adult pop radio, contemporary adult #39 and broke into the top 20 on the dance charts. Greatest Hits Album... So far it was a commercial success. For the first #5 the album charts and sold more than a million copies in the U.S. alone. Try a great rock ballad that encourages persistence in love against insecurities. Greg Kurstin, known for his work on Adele's Salute and Sia Chandelier, produced the record. The song's music video, directed by Floria Siggismndi, showed Pink performing a beautiful interpretive dance routine with colt pratz dancer. It was inspired by the Apache Dance, a Parisian street performance. Making this video was the most fun thing I've ever had in my entire career, Pink said. I never wanted it to end. Try became the second top 10 pop hit from the album The Truth About Love and went all the way #1 on contemporary adult radio. Just give me a reason for the third consecutive top 10 pop hit single from Pink's album The Truth About Love and the first single from the album, which went #1 on the Billboard Hot 100. He wrote the song with Nate Roos, lead singer of the pop-rock band Fun. Originally, they had just planned writing. Together, but it was determined just to make me a reason it worked best as duet so they turned it into a participatory performance. Jeff Beasker, known for his work on the entertaining breakthrough album Some Nights, collaborated on writing and producing the record. Just give me a reason to win two Grammy Award nominations, including for Song of the Year. Pink's husband Carrie Hart appears in the accompanying music video. Nate Roos is also seen singing with Pink. The music video was directed by Diane Martell, known for her work on Miley Cyrus's We Can't Stop videos and Robin Thicke's Blurred Lines. The music video won the MTV Video Music Award for Best Collaboration. Cooperation.
